

1. Mam rate fluctuation ka flow per 10 second pe rakhiye. Agar hits khatam huye to hum hits ka subscription renewed karte rahenge recharge karte rahenge. Mam abhi bhi 10 sec pe auto refresh nahi ho raha hain .

Ye per 10 seconds pe hi hai and refresh bhi ho rha hai, pata nahi aapko koi bhi changes kyu nahi dikh rha.

Ye 10 seconds pe function load ho raha hai iska proof dene ke liye maine date time ka paragraph liya hai.

Jo ki har 10 seconds pe refresh ho rha hai. And iska video recording bhi maine share kiya hai.

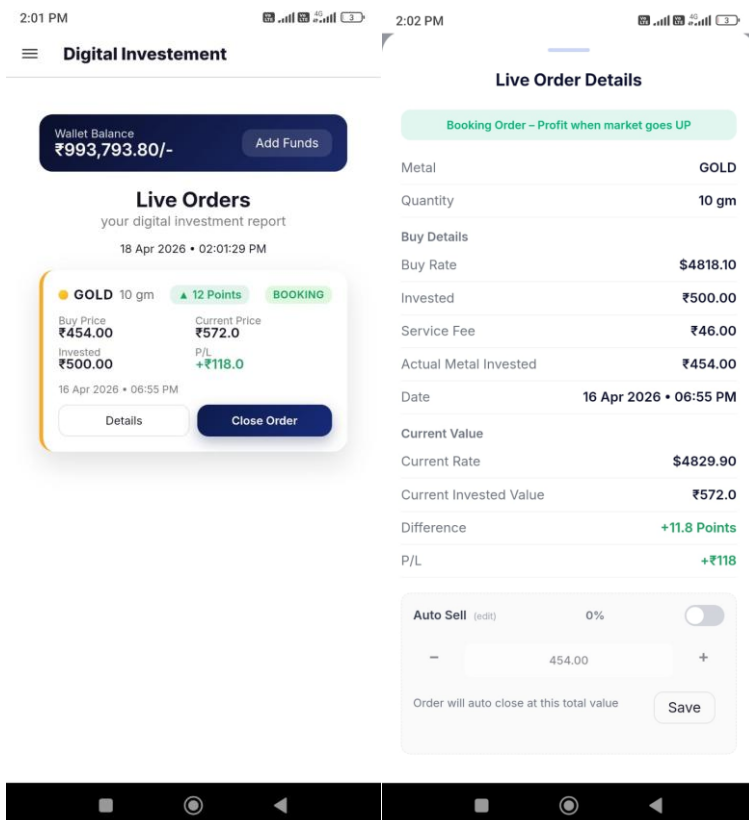

2. Ecomm _ App se koi bhi product add karne ke bad address dal ne ke bad jab payment process karna hota hain tab error aaraha hain

Mam same error aa raha hain app new walal hee hain cart main bhi kuch nahi hain.

Nahi aisa koi error nahi hai. Mujhe ye error kabhi nahi aa rha hai. Maine wapas video recording share kiya hai.

3. Loss and profit calculation
